DOMINION ORDERS IN COUNCIL.

P.C. No. 12.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 9TH JANUARY, 1928.

THE Committee of the Privy Council have had before them a report, dated 27th December, 1927, from the Minister of the Interior, submitting that by Order in Council of the 18th June, 1925, the Abernethy-Lougheed Logging Company, Limited, which is conducting extensive operations in the vicinity of Stave Lake, in the Railway Belt, in the

Province of British Columbia, was granted permission to export certain cedar timber for a period of six months; that owing to the congested state of the cedar timber market several extensions of time have been granted by Orders in Council to the aforementioned Company to continue exporting, the last extension having been authorized by Order in Council dated the 15th of July, 1927, for a period of six months, from the 22nd July, 1927, and whereby the timber exported was subject to the payment of dues at \$2.50 per thousand feet B.M. on logs grading No. 1, and \$2 per thousand feet B.M. on logs grading No. 2, and \$1.50 per thousand feet B.M. on logs grading No. 3, which dues are in excess of those charged under the regulations governing the disposal of timber cut from licence berths on Dominion lands.

It has been represented that the logging operations of the Company are almost wholly in cedar; that without the export permit it would not be possible to continue operations on account of the accumulation of certain grades which the local mills cannot absorb; that the Company's labour and supplies are drawn almost wholly from the community in which operations are conducted; that a shut-down would create great hardship to the Company, to the community, and also deprive the farmers of a market for a large quantity of their produce.

It has also been represented that through the granting of the export privilege the Company has been able to find a market in Japan for low-grade cedar; and that, although all timber was advertised for a period of ten days before export was allowed and buyers and other operators interested were given an opportunity of procuring the logs at prevailing market prices, no offer was received from any source.

The Minister, therefore, believing it to be in the public interest, recommends that a further extension of six months, from the 22nd January, 1928, be granted the Company to export cedar logs subject to the payment of dues as authorized by Order in Council of the 15th of July, 1927, the operations to be subject to such conditions as he may determine, the local mills to be first given an opportunity of acquiring any portion of the cut that may be required for manufacturing locally.

The Committee concur in the foregoing recommendation and submit the same for approval.

P.C. No. 26.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 10TH JANUARY, 1928.

THE Committee of the Privy Council have had before them a report, dated 27th December, 1927, from the Minister of the Interior, submitting that the Timber Regulations authorized by Order in Council of the 20th of March, 1924, and subsequent amending Orders in Council governing the disposal of timber cut on Dominion lands in Manitoba, Saskatchewan, and Alberta, within twenty miles of either side of the Canadian Pacific Railway, in the Province of British Columbia, and the tract of three and one-half million acres controlled by the Government of the Dominion in the Peace River Block, in the Province of British Columbia, contain no provision whereby timber cut can be exported without being manufactured within the Dominion of Canada.

That Lots Nos. 346 and 361, situate in Township 39, west of the Coast meridian, in British Columbia, were disposed of by sales by the Department of the Interior in the years 1889 and 1890 respectively, at which times the timber was reserved to the Crown.

That the aforementioned lands have been subdivided into smaller lots; that of the 588 lots into which Lot No. 346 has been subdivided the Corporation of the District of Coquitlam owns 346 lots,

together with the whole of Lot No. 361, except a 2½-acre portion and one 66-foot lot.

That the Corporation of the District of Coquitlam aforementioned reports that it has acquired its present interest in the two lots in question through tax-sale proceedings; that the lands are at present non-revenue producing; that the lands are non-saleable, as the prospective purchasers look upon the timber as a menace, and that under such circumstances the said Corporation desires to be allowed to cut and export the timber in the form of pulp-wood, and states that it is the intention of the Council of the municipal district to apply the proceeds for the reconstruction of roads in that locality in order to encourage settlement.

An inspection has been carried out by an officer of the Department of the Interior, and the Agent of Dominion Lands for the District of New Westminster reports that approximately 5,300 cords of pulp-wood could be secured; that the lands are suitable for agricultural purposes, and as both lots are surrounded by settlement it is desirable that the timber be removed.

The Minister, therefore, believing it to be in the public interest, recommends that the owners of the lands comprising the said Lots 346 and 361 be allowed to obtain permits subject to dues in accordance with the regulations aforementioned, and with the provision that the timber cut thereunder may be exported in the form of pulp-wood.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.
